

Auspac solar France

Who are Auspac solar?

Staff were easy to contact, and I was kept in the loop during the entire installation process. Highly recommend. AusPac Solar are a professional team who deliver 5 star customer service. The solar experts are incredibly knowledgeable and thorough and walked me through everything.

What is the Auspac solar guarantee?

The AusPac Solar guarantee is that once you install your system you will receive ongoing support and maintenance from AusPac, and not the manufacturer of the system. You join our community and we work to help you save money with ongoing support and service. Think of us as your bespoke energy optimisation service, not just your Solar installer.

Who is Auspac?

Australian-owned solar energy retailer that prides itself on quality products, installations and customer service. With AusPac you can save up to 90% on your energy bills per quarter. Get in contact with us today to discuss your journey towards Energy Independence

Why should you choose Auspac solar?

Solar energy is a clean and renewable source of energy that reduces our dependence on fossil fuels and helps to combat climate change, making it a responsible choice for the environment. Not sure who to trust? Why AusPac Solar? We don't sell solar, we don't sell electricity. and business across Australia. What to expect?

Why should I buy from Auspac?

When you buy from AusPac, you can rest assured you're buying the best products on the market. That's the AusPac Guarantee. This might make us more expensive, but our company policy sets a high standard which our customers benefit from. You can have your system installed now and pay for it over time.
