What is the innovation pillar of Bajada group?

The 'Innovation' Pillar of Bajada Group is founded on the conviction that talent is not innate, but rather cultivated. Aiming to transform Malta into a thriving hub for all, the group maintains an unwavering dedication to strategically investing in local enterprises and individuals who demonstrate persistence, integrity, and creativity.

What is Janssen De Jong Caribbean?

Janssen de Jong Caribbean is a wing of JAJO, operating in Curaçao & Bonaire, the Windward Islands and Aruba. JAJO is a group of construction companies on a mission to close the circle, together. JAJO develops, constructs, maintains, restores and harvests. They are active in the Netherlands, Poland, and the Caribbean.

The Port St. Maarten Group has about 80 direct employees, but those in service are sub-contracted. In total, over 1,000 people on a daily basis find work on Port premises. "Most employees have long tenure," says van Kooten, "but we are also happy with new recruits, and new talent that we foresee taking over the reins, in due time."
