

Recognising their crucial importance to protecting the Bolivian forests, Bluegrace Energy took a new step forward on their commitment to the indigenous communities by providing Los Jaguares with new and improved equipment, such as fireproof helmets, neck protectors, jackets, trousers, etc., and tools, such as axes, cameras, walkie talkies ...

Sustainable solutions are available now and Bluegrace is leading the way, treating biohazards, eliminating waste, reclaiming forests and purifying water sources. We have developed a corporate ethos that is sympathetic to nature, and driven by our desire to protect and honor the Earth.

Aligned with the UN's environmental conservation and sustainable energy requirements, BlueGrace Energy Bolivia is spearheading an extraordinary project to conserve 20.5 million acres of the...

The Congolese Environment Agency (ACE) Will Begin Working Sessions With BlueGrace Energy Bolivia, Mbombo Investment Group, and Maximance 2030 to Secure Certification for 80M Hectares of Congolese Forests and to Launch a Carbon Credit Investment Bank.

In September this year, Bluegrace Energy signed an inter-institutional cooperation framework agreement with CIDOB (the Confederation of Nations and Indigenous Peoples of the Chaco, East and Amazon of Bolivia), which is constituted by the 34 indigenous peoples that inhabit the entire Lowlands region, that is, 7 of the 9 Departments that make up ...

"Uno de los principales retos para Bluegrace Energy Bolivia es la transición hacia las Energías Limpias. En efecto, uno de nuestros principales compromisos es apoyar a Sur América a obtener beneficios de la creciente demanda de minerales y metales, así como verificar que la actividad minera sea manejada adecuadamente, logrando que, tanto ...
