Bouygues Energies & Services, a subsidiary of Bouygues Construction, built the thermal power plant on the Caribbean island of St Martin. The design-build contract signed with EDF comprised engineering studies, procurement, transport and the commissioning of the plant.

Bouygues Energies & Services has responded to the growing demand for energy in the French West Indies with the construction of an extension to the EDF power plant on the Caribbean island of Saint Martin. Since 2016, this new plant has ensured the supply of an additional 25 MW of power to the French overseas territory.

Certus Energy Solutions is a new pipe and tool rental company that serves the energy industry. Certus rents and services downhole tools and drilling pipe. Although the company does not manufacture its own pipe or tools, it services and monitors these products.
