We sell and install solar panels in Cyprus for both homeowners and companies. Because photovoltaic systems are intended to supply electricity for more than 30 years, we have chosen the absolute top brands: JA Solar and SOLITEC for the solar panels and Huawei for the inverters.

When choosing a photovoltaic panel, it is essential to consider the efficiency, cost, and available space for installation. Monocrystalline panels are the most efficient but also the most expensive. Thin-film panels are the least efficient but the most affordable. Polycrystalline panels fall in the middle range of efficiency and cost.
