How did eel add a BMS/balancer cable?

EEL added mounting holes and bolts to connect BMS and Balancer cables. Never liked that you need to add a bms/balancer cable underneath the 'main' bolts that hold the busbar to the cells. This is a simple but very nice addition to the busbars. made some progress. The screen is now mounted and looks great in the EEL box.

Is eel a cheap knockoff?

Actually there is little information about EEL. I read that someone said it's a cheap knockoff, but basically that's it. Can't find any information about the quality of the boxes. I really meant "a few" as in not a lot. I've only seen like 3 I think? I'll try and track them down. But they all seemed to have a similar sentiment imo
