Puma Energy adds solar, battery storage at stations in Ghana Multinational oil company Puma Energy said it has installed solar power systems and battery storage units at several of its locations in Ghana.

Shop Warford 48V 100Ah LiFePO4 Battery, Cabinet Type 4.8KWh Deep Cycles Rechargeable Lithium Battery with BMS LED Monitor for Home Off-Grid Solar Energy Storage Boat Marine online at a best price in Ghana.

The three-level BMS module (ESMU) within the bus cabinet includes CAN, RS-485, and RJ45 Ethernet communication interfaces. These enable seamless communication with the high-voltage box, PCS/UPS, or EMS, supporting data exchange and control for the energy storage battery management system while ensuring robust system protection.

At Brightest Homes, we provide the best solar battery storage solutions in Ghana, designed to maximize the efficiency of your solar panel system. Our range of solar battery options, including advanced lithium-ion solar batteries, offers exceptional lifespan and reliable performance.
