

How long can Dennis s locker last

What happens if the lockers are not full?

If the lockers are not full, then I would imagine it sits there until you pick it up, or until the next Amazon 'refill' employee decides that your 'old' item is not being picked up and therefore they send it back so that they have room for others.

What is the shelf life of Loctite 242 blue threadlocker?

I was surprised to learn that the shelf life of Loctite 242 blue threadlocker is only 2 years from date of manufacture, for an unopened tube. Once you open the tube, shelf life is reduced to one year. I have a small unused tube manufactured in 2015, still in its blister pack, that I bought in May 2016.

What is a locker in dead by daylight?

Lockers are one of 28 Props featured in Dead by Daylight. Lockers are tall, red cabinets located throughout the Trial Grounds. Survivors can enter them in order to hide from the Killer and the Killer's Aura-reading abilities. The Huntress and Trickster use Lockers to refill their stock of secondary weapons.

How long does it take a dredge to open a locked lock?

The Dredge takes 2.25 seconds to open a Locked Locker from the inside, making a lot of noise in the process. Once The Dredge emerges from a Locked Locker, its lock is broken permanently. The Dredge can also break the lock from the outside by hitting it with a Basic Attack.

What happens if a survivor locks a dredge?

Survivors rush-exiting a Locker while using Head On may stun a nearby Killer if they are in range. When playing against The Dredge, Lockers spawn with locks on them that Survivors can choose to interact with. Locking a Locker will not prevent The Dredge from exiting it, but increase the time it takes it to do so, slowing it down.

What happens if a killer finds a survivor in a locker?

If a Killer finds a Survivor inside a Locker, they will open the doors violently, threaten the frightened Survivor by smashing their Weapon into the wooden back of the Locker (except The Spirit, who immediately catches the frightened Survivor), and grab the Survivor by their scruff, hoisting them onto their shoulder immediately.

Amazon sent a message saying my package would be at locker early morning today (Monday). It wasn't delivered by 1 PM so I left the city. Say hypothetically the package is dropped at 5 PM ...

I would suggest that it's more of a "min" of 3 day hold, not that "suddenly" it disappears 1 minute after the "deadline". If the lockers are not full, then I would imagine it sits there until you pick it up, or until the next Amazon "refill" ...
