

Hubble am 4 lithium ion battery North Macedonia

What is a Hubble AM4 battery?

For the best prices and expert technical support, log in to our portal now! Hubble Lithium's AM4 model is a low voltage (25.5V), 2.6kWh lithium battery pack suitable for off-grid, back-up and self-consumption residential energy systems.

Is Hubble liable if a battery is incorrectly installed?

We are not liable for any damages or warranty rejections as a result of incorrectly installed products or systems. The AM-4 is a 25.5V Lithium battery Hubble are producing to cater for the 24V inverter market. The AM-4 is the perfect fit for 24V inverters where you still have the need to install lithium.

What is a Hubble am battery?

The AM in the Hubble AM Lithium Series stands for Any Mount. This gives installers more flexibility to either rack mount in a standard server cabinet or wallmount the batteries. The floor standing design of this battery makes it easy to install in any location, and the sleek, modern look will complement any decor.

How much power does a Hubble AM4 have?

Heavy duty side handles for easy handling and mounting on the wall. Built in protection for over-charge, over-discharge & over-temperature. Model: Hubble AM-4. Rated Capacity : 100 Ah. Voltage: 25V. Max. Continuous Charging Current: 100 A. Max. Continuous Discharging Current: 100 A. Weight: Approx. 21 Kg.

What type of battery does Hubble lithium use?

Hubble Lithium's AM4 model is a low voltage (25.5V), 2.6kWh lithium battery pack suitable for off-grid, back-up and self-consumption residential energy systems. Capable of paralleling up to 15 x units in a single string giving a total storage capacity of 39kWh. 1C battery capable of providing a continuous charge/discharge power of 2.6kW.

How do Hubble batteries communicate with inverters?

Hubble's range of Lithium batteries communicates with a wide range of inverters through CAN bus (please see list below). The AM Series stands for Any Mount. This gives installers more flexibility to either rack mount in a standard server cabinet or wall mount the batteries.

o 1C High-Performance Lithium battery
o High energy density and conversion efficiency
o Complete with integrated Battery Management System
o Compatible with most inverters and chargers
o Low self discharge
o Easy wall-mount or ...

1C battery capable of providing a continuous charge/discharge power of 2.6kW. Versatile compatibility with

Hubble am 4 lithium ion battery North Macedonia

leading inverter brands such as Victron and Kodak. 10-year warranty, 15-year design life for the battery cells.

Hubble AM-4 Lithium Battery 2.75 kWh 25V - Wall Mountable Smart LED Status Bar. Low self-discharge. High cycle and service Life. 1C High performance lithium battery. Easy wall mount or shelf rack installation. Excellent high temperature performance. Advanced BMS with current limiting function. Compatible with most inverters and chargers

This any mount series of lithium batteries range from 2.75kWh - 10kWh and are designed with industry leading first life prismatic lithium cells. Easily wall mounted or shelf installed in a standard rack.

HUBBLE AM-4. Low self discharge. High cycle and service life. Easy wall mount or shelf rack installation. Excellent high temperature performance. Advanced BMS with current limiting function. Compatible with most inverters and chargers. High energy density and conversion efficiency. Cloudlink integration ready for wifi monitoring

Complete with integrated Battery Management System. Compatible with most Inverters and chargers. Low self-discharge. Easy wall mount or shelf rack installation. Heavy duty side handles for easy handling and mounting on the wall. Built in protection for over-charge, over-discharge & over-temperature. Specifications. Model: Hubble AM-4.

Hubble Lithium Battery Wall Mount 25V 2.75kWh 110Ah AM-4. The Hubble Battery AM-4 is a 25.5V Lithium battery we are producing to cater for the 24V inverter market. The AM-4 is the perfect fit for 24V inverters where you still have the need to install lithium. Low self discharge o High cycle and service Life o 1C High performance lithium battery

The Hubble Lithium AM4 2.7kWh 25.5V Battery represents a reliable, efficient, and scalable energy storage solution for various residential applications. Its advanced features, including Hubble Cloudlink integration, high-performance ...

Hubble Lithium Battery Wall Mount 25V 2.75kWh 110Ah AM-4. The Hubble Battery AM-4 is a 25.5V Lithium battery we are producing to cater for the 24V inverter market. The AM-4 is the perfect fit for 24V inverters where you still ...

The Hubble Lithium AM4 2.7kWh 25.5V Battery represents a reliable, efficient, and scalable energy storage solution for various residential applications. Its advanced features, including Hubble Cloudlink integration, high-performance lithium technology, and conversion efficiency, make it a top choice for those seeking a robust power solution.

1C High performance lithium battery. Easy wall mount or shelf rack installation. Excellent high temperature performance. Advanced BMS with current limiting function. Compatible with most inverters and chargers.
