

# JA Solar's photovoltaic panels are eliminated

Who are JA Solar panels?

PVEL (DNV-GL) is one of the world's leading solar module testing services based in Germany and every year the company produces the annual PV Module Reliability Scorecard Report. Over the last 5 years, JA solar panels have consistently scored in the 'Top performer' category among 20+ of the world's leading solar brands tested.

Which JA Solar panel is best?

JA Solar's JAM60S20 panel offers high efficiency of 21 per cent and a power output of 340W, for a lower price tag than many of its competitors. Meanwhile, the JAM72S30 LR solar panel stands out for larger homes, as it boasts an impressive power output of 585W, which is a greater output than most domestic panels.

What if a model is returned to JA Solar?

If the MODULES will be returned to JA Solar for inspection, repair or replacement by JA Solar, JA Solar shall provide the Customer with a Return Merchandise Authorization (RMA). However, JA Solar will not accept a return of any MODULES without such RMA.

How reliable is JA Solar?

Since 2017, JA Solar has consistently scored in the 'Top performer' category of the DNV GL/PVEL PV Module Reliability Scorecard report. DNV GL is a leading authority of independent energy experts, and PVEL conducts independent PV testing. This annual report identifies 20 high-performing solar panel manufacturers.

Can I collect orders from JA Solar?

Yes, you can collect orders from our warehouse in Medway, Kent in the southeast of England. Whatever size it might be from a set of stickers to a container of modules. JA Solar produces record-breaking panels with huge efficiency. Get a complete photovoltaic system delivered next day in the UK from Segen.

How much do JA Solar panels cost?

The cost of solar panels from JA Solar is quite competitive compared with other solar panel companies. Our research has found that a 585W panel, for instance, is priced at around £90. Sharp sells a similar model for around £40 more. However, JA Solar's product warranties only last 12 years - half that of many other manufacturers.
