

Jersey solar partners asia

Does JJ-Lapp sell solar inverters?

The partnership will see JJ-LAPP taking on the sales, distribution, and support of Huawei's complete range of solar inverters in the region. As of now, JJ-LAPP is the sole distributor for Huawei's solar inverters in Cambodia, Myanmar and Laos, and will take over all existing customers and leads in these countries.

Who installed the largest commercial solar installation in Jersey?

SunWorks was contracted by Jersey Electricity to install the Channel Islands' largest solar installation at Jersey Dairy, a total of 1,516 Solar panels. This saw the start of JE's lease scheme for commercial building owners and enabled SunWorks to deliver a world-class commercial solar installation in Jersey.

Does JJ-Lapp have a partnership with Lekise Thailand?

Since the start of the partnership, JJ-LAPP has secured their first deal with Lekise Thailand to provide Huawei's solar inverters and Huawei's data controllers for the construction of solar rooftops on factories.

What happened to solar in Jersey (at SunWorks)?

Despite the global Pandemic, solar continued to grow at SunWorks in Jersey. In 2021, the company moved its headquarters to St Helier Business Park and was able to install solar panels there.

Why did Mark & Ian start a solar business in Jersey?

Mark and Ian had to start pushing for a higher volume of installations for the survival of their solar business in Jersey due to its slow uptake. This marked a journey towards focusing on the business side and 'hitting the numbers'. Kevin Keen was appointed as the first Non-Executive Director with sales targets set and accountability held.

Will JJ-Lapp be a success in South East Asia?

We are confident that JJ-LAPP's knowledge and extensive reach in South East Asia, and deep expertise in renewable energy will provide growth and success for both companies" says Mr Li Yaohui, General Manager of Smart PV Business APAC, Huawei.
