

Sheikh Zayed Solar Power Plant, a 15 MW facility in Nouakchott, is the first utility-scale one in Mauritania. It provides 10% of the country's grid capacity, producing 25,409 MWh of clean energy and reducing 21,225 tonnes of CO2 emissions ...

Mauritania is set to become a regional leader in renewable energy, thanks to a \$289.5 million financing package from the African Development Bank (AfDB) and the Green Climate Fund (GCF). The funds will support two major projects that aim to develop solar power generation, transnational electricity interconnection, and rural electrification in ...

Sheikh Zayed Solar Power Plant, a 15 MW facility in Nouakchott, is the first utility-scale one in Mauritania. It provides 10% of the country's grid capacity, producing 25,409 MWh of clean energy and reducing 21,225 tonnes of CO2 emissions annually. Its 30,000 solar panels, manufactured by Masdar PV, supply power to over 10,000 homes in the capital.

Welcome to Azzur Energy, your dedicated partner in driving sustainable solar solutions across West Africa. As a frontrunner in the renewable energy sector, we specialize in providing cutting-edge solar solutions tailored to the unique needs of Engineering, Procurement, and Construction (EPC) companies.

Our Mauritania Solar Power Project stretches nearly 600,000 square meters across the landscape, and powers a full 15% of the country's energy needs. That means over 100,000 people now have access to power ...

By harnessing solar power instead of non-renewable energy sources, Mauritania can potentially experience improved air and water quality, leading to longer life expectancies and enhanced overall health. Ongoing success is evident, as a 2022 research paper validates the plant's performance across various weather conditions. Looking to the Future

Our Mauritania Solar Power Project stretches nearly 600,000 square meters across the landscape, and powers a full 15% of the country's energy needs. That means over 100,000 people now have access to power and the advantages in health, education, and empowerment that brings.

Techno Systems is the exclusive representative in Mauritania of the German company SMA (world leader in solar inverters). Range of products marketed via the showroom: wide range of SMA inverters (Germany) Q Cells / Hanwa solar panels ...
