

# Multiple WeChat accounts of China Radio and Television Network

Can WeChat separate friends and family from 'business contacts' in China?

For WeChat users hoping to separate close friends and family from the innumerable 'business contacts' in China, we have good news for you! As part of the 11 October WeChat updates, the app is currently running a trial among a group of users allowing two accounts per mobile number, ending the limitation of one account per number.

Why is WeChat so popular in China?

Developing official WeChat accounts has become so popular in China that new startups sometimes test their version 1.0 product on WeChat's platform before dedicating resources to building and marketing a standalone native app. Another benefit for developers is getting core app functionality without having to support multiple mobile OSes.

What are WeChat Official accounts?

The lightweight app on WeChat are called "official accounts". Approved by WeChat after a brief application process, there are well over 10 million of these official accounts on the platform -- ranging from celebrities, banks, media outlets, and fashion brands to hospitals, drug stores, car manufacturers, internet startups, personal blogs, and more.

How many WeChat accounts can a group of users have?

As part of the 11 October WeChat updates, the app is currently running a trial among a group of users allowing two accounts per mobile number, ending the limitation of one account per number. We expect this trial to be rolled out to the larger WeChat user base, but in the meantime, the test is only available to selected groups of users.
