

# Oushang solar Saint Barthélemy

USHANG SOLAR is one of top photovoltaic module manufacturer in China and has annual production capacity of 1200MW. Our solar panel products range is from 5W to 560W. Products cover monocrystalline solar panel, polycrystalline solar panel, half cell solar modules, solar controller, solar inverter, solar gel battery, solar flood light, solar ...

Harness the power of the sun with OS-P72 320W, 325W, and 330W Polycrystalline PV Solar Panels from Oushang Solar. Experience high power output, durability, and long-term cost savings. Benefit from clean energy and government incentives. Learn more about our top-quality solar panels today. Poly 72 cells, Factory direct outlet

Our main products are polycrystalline solar panel, monocrystalline solar panel, integrated solar street lamp and systems. Oushang Solar takes its effort to invest on product development and expanding the production capacity. With a total investment of 70 million RMB, our factory achieves an annual capacity of about 500MW.

Our main products are polycrystalline solar panel, monocrystalline solar panel, integrated solar street lamp and systems. Oushang Solar takes its effort to invest on product development and ...

USHANG SOLAR est l'un des principaux fabricants de modules photovoltaïques en Chine et a une capacité de production annuelle de 500 MW. Notre gamme de produits de panneaux solaires va de 5W à 500W.

At Oushang Solar, we provide solar technology with strict quality control to ensure the best product value. Our production follows ISO9001 standards, and every panel undergoes 100% ...

Hebei Oushang Photovoltaic Technology Co., Ltd. is one of the top photovoltaic module manufacturers in China and has an annual production capacity of 500 MW. Our factory is located in Hebei Province, China, and covers 50,000 ...

At Oushang Solar, we provide solar technology with strict quality control to ensure the best product value. Our production follows ISO9001 standards, and every panel undergoes 100% inspection. With...

Hebei Oushang Photovoltaic Technology Co., Ltd. is one of the top photovoltaic module manufacturers in China and has an annual production capacity of 500 MW. Our factory is located in Hebei Province, China, and covers 50,000 square meters of land. Oushang Solar has engaged in R& D, production, and sales of solar module products for many years.

## Oushang solar Saint Barthélemy

OUSHANG SOLAR is one of China's leading photovoltaic module manufacturers, specializing in the R& D, production, and sales of solar panel products. OUSHANG SOLAR offers a wide power range from 5W to 550W, covering monocrystalline and polycrystalline solar panels, half-cell modules, solar controllers, inverters, gel batteries, flood lights ...
