

Photovoltaic panel package scam exposed

Are solar panels a scam?

Here's how to steer clear of the scams: Do some research. Avoid solar companies that say a government program will cover the whole cost of solar panels -- or say they're from (or affiliated with) the government. These are lies. If you're looking at solar energy for your home, get quotes from reputable providers with a valid license.

How do I avoid solar panel scams?

Knowing about solar scams and what to look out for can help you protect your assets and prevent you from becoming victimized. To avoid solar panel scams, we strongly recommend doing your own research and verifying that your solar company is legitimate before signing any contracts. Take time to make the right decision: Never rush into a contract.

Are 'fake' solar companies a scam?

Beware of any company asking you to make a big deposit before they have completed their installation. This is one of the most common ways 'fake' solar companies have targeted consumers - whereby they take a hefty deposit and then never turn up to carry out the installation. This is common solar scam.

What is a solar identity theft scam?

Identity theft scams: Fake solar companies or scammers posing as solar representatives may also have you fill out fraudulent solar paperwork, later using your personal information to steal your identity.

How do I know if a solar salesperson is fraudulent?

Select one of our top three recommendations from the panel below to get started on your solar journey safely: High-pressure sales tactics, exaggerated promises and claims of "free" solar panels are three major red flags to look out for when determining if a solar salesperson is fraudulent or misleading.

Are solar salespeople a scam?

In May, the Nevada State Contractors Board started a solar investigations unit. But the scams continue. The sales pitch often starts with a solar salesperson knocking on the front door, calling on the phone or connecting on social media. Some scammers may say they're consultants from your power company, utilities warn.
