

Qinous gmbh is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

Qinous gmbh is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

Qinous GmbH is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

Qinous GmbH is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

QINOUS is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with QINOUS, a Berlin, Germany based Clean Technology startup.

Qinous GmbH is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

Qinous gmbh is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

QINOUS integrates intelligent battery storage solutions (ESS) into energy systems worldwide. The storage solutions are equipped with a micro-grid and energy management system (MEMS) and are therefore suitable for both grid-connected (on-grid) and off-grid applications with a capacity of 30 kilowatts (kW) up to several megawatts (MW).

Qinous GmbH is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with Qinous, a Berlin, Germany based Clean Technology startup.

QINOUS is a manufacturer of energy storage systems and microgrid software to ensure the supply of renewable electricity, on- and off-grid, around the world. Find investment information and connect with QINOUS, a ...

Electrification and hybrid solutions are now booming. The German energy storage manufacturer QINOUS GmbH was one of the first Danfoss customers developing these solutions long ago, before this was a "hot topic" in the energy industry.
