When will savosolar stock start trading?

Trading with the new tickers will begin approximately on the first day of June. In addition, the Board of Directors of Savosolar Plc, authorized by the Annual General Meeting, has today decided on the sale of Savosolar's Renewable Energy business on 31.5.2023 to Meriaura Energy Oy, a new subsidiary wholly owned by the Group.

Savosolar's solar thermal business will be part of Meriaura Energy's renewable energy business. The aim of the planned changes is to clarify the corporate structure by separating the renewable energy business unit from the Group's parent company into a separate entity, as has been done for maritime logistics in the other business area.
