Founded in 2010, our Singapore office kick-started SEFE Marketing & Trading's LNG platform across the Asia Pacific region. With Asia being the world's largest LNG market, we've positioned ourselves in a location that optimises the flexibility of LNG marketing providing many commercial opportunities for SEFE Marketing & Trading.

As the region's industrial growth has effectively sped up its consumption of energy, here we'll take a closer look at the challenges and opportunities that face Singapore's energy market in more detail.

SEFE Marketing & Trading (SM& T) is an agile multi-commodity trader and trading partner. We are a leading player in European trading energy markets, combining the physical & financial trading of LNG, gas, power, environmental products and hydrogen with the provision of comprehensive risk management, derivatives, algorithmic trading, and third ...
