

As Singapore decarbonises its power sector, the nation's energy supply mix will become more diverse with the growing deployment of domestic solar and electricity imports. The electricity grid will also become ...

On 16 Feb 2024, DPM and Finance Minister Lawrence Wong delivered the Budget 2024 Statement in Parliament, shedding light onto Singapore's energy future as well as upcoming sustainability incentives, primarily targeted for ...

As Singapore decarbonises its power sector, the nation's energy supply mix will become more diverse with the growing deployment of domestic solar and electricity imports. The electricity grid will also become more complex with the addition of distributed energy resources (DERs) such as rooftop solar photovoltaics, battery energy storage ...

Solar panels generate the most solar electricity when the sun is directly overhead (also referred to as "solar noon") and less in the early morning and late afternoon hours when the sun's position is lower in the sky.

SINGAPORE - The first "solar pavements" in the Republic will be installed on Sentosa's Fort Siloso Skywalk in the first quarter of 2024, as part of the island's efforts to ...

The SolarNova programme will generate an estimated 420 GWh of solar energy annually. This is about 5% of Singapore's total energy consumption or equivalent to powering 88,000 4-room flats. We will progressively roll out 220 MWp of solar panels across 5,500 HDB blocks within the next few years, which will align with Singapore's plans to ...

SINGAPORE - The first "solar pavements" in the Republic will be installed on Sentosa's Fort Siloso Skywalk in the first quarter of 2024, as part of the island's efforts to achieve carbon ...

SINGAPORE - Solar panels are set to be installed at up to 1,075 Housing Board blocks by the third quarter of 2026, as part of Singapore's drive to harness more clean energy. This will bring...

Transmission of several GW of solar power to Singapore from nearby Indonesian islands by undersea cable is proposed. This cable requires substantial battery storage to increase the capacity...

On 16 Feb 2024, DPM and Finance Minister Lawrence Wong delivered the Budget 2024 Statement in Parliament, shedding light onto Singapore's energy future as well as upcoming sustainability incentives, primarily targeted for small-medium businesses.
