

# Solar Photovoltaic Panel Scam News

Are solar panels a scam or a cold call?

Here are the cold calls and potential scams to avoid. More than a third of solar PV panel owners in our recent survey told us they have been cold called about their panels in the past five years. Most cold callers were trying to sell them something unnecessary, but a few owners were told something completely untrue.

What happened to PV solar UK?

PV Solar UK went into liquidation in 2017. Robert Skillen, who was the director of the firm when Mr Thompson bought his system, said Mr Thompson's panels would make him money. Mr Skillen is now in business claiming to help people who have been mis-sold solar panels. He did not want to be interviewed.
